**WiCAR®: Well connected on the road**

The digital all-round talent for caravans

Well connected on the road

## Welcome to the world of WiCAR®

Nowadays digital connectivity has spread over all areas of life. We want or need to be reliably connected anytime and anywhere. Not only in the office or at home. But also when we are on the road.

### Digital all-round talent

With WiCAR® we bring the digital possibilities and the digital lifestyle to caravans. No matter where you are: on the road, at a campsite or in the great outdoors. In combination with our high-perfor-

mance antennas, we enable secure and reliable communication, untroubled web surfing, comprehensive infotainment, working on the move, GPS tracking and fleet management, security monitoring and much more.

### Uncomplicated and reliable

When developing WiCAR® we placed special emphasis on an uncomplicated and reliable solution. With a small, light and easy to install hardware

box. With multiple connections and extension options. With high-quality components that nothing can shake and that withstand extreme cold as well as great heat. With a personal MyWiCAR® portal that presents vehicle data in a user-friendly manner and allows for multiple planning and configuration options. With best performance and highest transmission reliability. In short: with equipment features and functions that leave nothing to be desired.

### Enjoying all freedoms

Whether you are traveling privately or on business with your caravan: With WiCAR® you are always connected and enjoy all the freedoms.

Benefits at a glance

## WiCAR®: So small, so versatile

Uses car antennas for reliable, fast LTE data transmission

Creates strong WiFi connection both in and outside the car

Makes local and cloud-based data available

Allows for secure VPN access to media and documents

Enables GPS tracking and fleet management

Provides automatic software updates, security monitoring and remote access to vehicle data

Easy to retrofit, very compact and robust

Available for private or business use and technically extendable

## WiCAR® application caravans

# The digital revolution in vehicles

### ■ Benefits WiCAR®:

- Best LTE reception
- Powerful WiFi in and outside the vehicle
- Online and offline streaming
- Secure data retrieval via VPN
- Itinerary documentation
- Security monitoring (WiCAR® 9004.02)
- Temperature range -40 °C to +80 °C
- Weight 440 g
- Easy to retrofit

### ■ Recommended WiCAR® products:

- WiCAR® 9004.02
- WiCAR® 9005.01

### ■ Recommended ATTB accessories:

- Internal antenna (4198.xx)
- External antenna (4736.xx)
- Glass mount indoor antenna (4579.xx)

**Entertainment:** TV, media libraries and streaming portals

**WiFi:** Surfing and streaming in and outside the caravan

**VPN:** Mobile office and access to home network

**GPS:** Viewing of travelled routes (MyWiCAR® portal)

**SAT>IP:** Connect and watch on all devices

## Comparison table

# Recommended WiCAR® products

Art. No.	Drive 9004.02	Drive 9005.01
<b>SIM-Cards</b>	1	2
<b>Down- and Upload Speed</b>	150/50 Mbit/s	2 x 150/2 x 50 Mbit/s
<b>GSM/Edge Fallback</b>	Yes	Yes
<b>WiFi Standards</b>	a, b, g, n	a, b, g, n
<b>WiFi Antennas</b>	2 x 2 MIMO	2 x 2 MIMO
<b>Security Monitoring</b>	Yes	Yes
<b>Ethernet</b>	1,000 Mbit/s	1,000 Mbit/s
<b>Micro SD</b>	Yes	Yes
<b>Storage</b>	8 GB	8 GB
<b>Casing</b>	Aluminium	Aluminium
<b>LED Indicators</b>	4	4
<b>Expandable</b>	Yes	Yes

Do you still have questions?

# We are at your disposal

An installation and application video, a list of qualified workshops for installation, answers to frequently asked questions and much more can be found on our website.
