ATTB Antennentechnik
Bad Blankenburg

DAS IST ATTB.

Antennentechnik Bad Blankenburg entwickelt und fertigt funkbasierte Vernetzungslösungen für unterschiedliche Branchen und Anwendungen. Darunter Antennen für Fahrzeuge, Behörden- und Sicherheitsfunk, Industrie 4.0 und den Energiesektor. Mit eigener Forschung, Entwicklung und Produktion stehen wir seit 1919 für höchste Qualität und Zuverlässigkeit.

WE DRIVE CONNECTIVITY.

THIS IS ATTB.

Antennentechnik Bad Blankenburg develops and produces radio-based connectivity solutions for different industries and applications. This includes antennas for vehicles, public safety communications, industry 4.0 and the energy sector. With own research, development and manufacturing capabilities we stand for highest quality and reliability since 1919.
